To VICTOR.

By post No. 4 of 8th June of this year we despatched material information about air units [USTANOVKI VOZDUKHA] for new aircraft which have these units. This material information deserves exceptional attention. Pay particular attention to it [D] in conjunction with the information on analogous organisations engaged on a similar problem. The material information was received [C] from GNOME [GNOM][1] and by ARSENJ[11].

By the same post were despatched two secret plans of the layout of the ENORMOUS [ENORMOZ][11] plant received from FOGEL[14].
